

Attention Residents

To maintain your community beautiful and litter free, and to ensure County Code compliance, the County Solid Waste Department would like to remind you of some important guidelines regarding your curbside collection services.

- Indian Wells Service days are as follows:

Wednesday: Recycle Collection (tan cart/blue lid) and Yard Waste Collection

Thursday: Trash Collection (tan cart/tan lid) and Bulk Collection

- Please ensure that all garbage/recyclables are in their designated carts with the lids closed. This will prevent litter from going onto the roads and into the storm drains.

It is also important to note that according to the Osceola County Code of Ordinances, Chapter. 19., Sec. 19-4(g).:

Waste carts and recycling carts shall be set-out no earlier than 6:00 p.m. on the day preceding the scheduled collection day and must be set-out by 6:00 a.m. on scheduled collection days to ensure collection. Waste carts and recycling carts shall be removed from the roadside within twelve (12) hours of collection.

Violations of this provision can result in a potential Notice of Violation from the County's Code Enforcement Department.

Should you have any questions, please feel free to contact the Solid Waste office at 407-742-7750.

Thank you.
